Polar Awards Technology Grants to Area Schools

Polar Communications recently announced they have awarded two schools in their service territory a total of \$5,000 in Polar Technology Grants. Polar's Technology Grant provides funding for PK-12 schools enabling the purchase of hardware, software, contracted services and other technologies that target student achievement through technology integration. Applicants were required to submit their proposals, including an overview of their project abstract, goals, narrative, and budget information. Accredited PK-12 schools in Polar's service territory were eligible to apply. Polar Communications awards up to \$5,000 per year, with each grant not to exceed \$2,500.

Fordville School Superintendent Michael O'Brien, along with Fordville students and Polar board member Jon McMillan.

Polar board member Joe Torgerson, Edmore School Principal Matt Ford, Business Manager Diane Martinson, and Edmore School Superintendent Frank Schill.

Schools winning the 2014-15 Polar Technology Grants were: Edmore Public School, \$2,500 – "Millennial's Mastering Multimedia" project and Fordville-Lankin Public School, \$2,500 – "Computer Games for Critical Thinking" project.

This is the 7th year that Polar has provided this grant to schools they serve, totaling \$35,000 given to enhance technology in the classroom. Polar is proud to invest in our schools and the communities providing value for the future.

Directory Advertising

Sales executives from Pinnacle Publishing will be in our area soon to begin selling advertising for the official 2015–16 directory. When you advertise in the Polar directory your ad will automatically be featured in our online directory at no additional charge! All website and email addresses are linked. Both the printed and online directories are great tools to increase visibility and connect with your customers. Get the most out of your advertising investment by placing an ad in the Polar Yellow Pages and online directory. For more information regarding advertising, contact Pinnacle Publishing at 800.343.8086 or visit www.pinnaclepub.com.

Applications For Board of Directors Being Accepted

Applications for the Polar Communications Board of Directors will be accepted for the election to be held during Polar's Annual Members Meeting on June 4, 2015. Positions to be filled are as follows:

- District 1 – Position currently held by Ron Steinke is up for re-election.
- District 2 – Position currently held by Joe Torgerson is up for re-election.
- District 3 – Position currently held by Brian Udby is up for re-election.

POLAR BOARD OF DIRECTORS NOMINATION PROCEDURE STEPS:

1. Any qualified member meeting the requirements of Section 3, Article IV of the company by-laws may request an application and petition from the cooperative headquarters. The forms can be picked up at Polar's front desk or can be found on Polar's website at www.thinkpolar.com.
2. Members shall submit a completed application and a petition containing a minimum of thirty (30) signatures of cooperative members from the district in which the applicant resides. Please note that a husband and wife constitute one membership. Either spouse may sign the petition as a member; however, the signature of a husband and wife on the petition may only be counted as one.
3. Completed applications and petitions should be submitted by March 20, 2015, at 4:00 p.m. to Polar Communications, Attn: Shari Flanders, PO Box 270, Park River, ND, 58270. Please contact Shari at 701.284.4343 with questions or email sflanders@polartel.com.
4. All nominations by petition are subject to verification. Once verification is complete, the candidate will be notified and their name will appear on the ballot at Polar's Annual Members Meeting.

To find the service areas that make up each district, please refer to Article IV, Section 2 of the by-laws of Polar Communications found in your telephone directory.

Spring Construction Plans

Spring is right around the corner and Polar Communications is gearing up for another busy summer of construction. We will be installing approximately 1,000 miles of fiber optic cable from May to November. Polar has awarded a contract to Ripley's Inc., from Erhard, Minnesota. Ripley's will be finishing the exchanges of Neche, Pembina and Drayton, which were part of the 2014 project. They will then complete the exchanges of Gilby, Inkster, Niagara, Michigan and Lakota. Polar also awarded a contract to Telcom Construction from Clearwater, Minnesota. They will be completing the exchanges of Hoople, Park River, Edinburg, Mountain, Adams and Fordville.

By the end of the 2015 construction season, all Polar customers will have fiber optic cable to their home or business. Polar has sent drop permits to all customers that will be receiving the fiber during this project, and we ask that you return those drop permits to us if you haven't already done so. Technicians have already started visiting homes and placing network interface devices (NIDs) on the sides of homes. This is where the fiber optic cable will be installed to. This process will continue for the next few months until all NIDs have been placed.

Polar hopes to begin construction in May. This will, of course, depend on our spring weather. If you have any questions regarding the construction please call us at 701.284.7221.

CPNI Privacy Notice

From time to time Polar changes its service offerings and makes available additional features and services, which may enhance and augment the services to which you are already subscribed. In order for us to determine which customers may benefit from the new services and enhancements, we will use information about your account that is within our database, legally referred to as Customer Proprietary Network Information (CPNI), unless you restrict that use in the manner described below. CPNI includes information such as which long distance carrier and plan to which you are subscribed, calling features and plans to which you are subscribed, and the associated charges for those plans. Use of this data will allow Polar to tailor its service offerings to your individual needs.

For this purpose, CPNI data will be used by Polar Communications, its subsidiaries, and affiliates only. This data will not be shared by Polar Communications with any other outside source except as necessary and required to provide the service(s) to which you are already subscribed, and unless we are legally compelled to.

You have a right under federal law to protect the confidentiality of your account information and restrict the use of CPNI data, and we have a responsibility to protect your data. To restrict the use of your CPNI data, you must contact our business office at 701-284-7221 or sales@polarcomm.com within 30 days of your receipt of this notice to request that we not utilize your CPNI data. Your denial of approval for Polar to use this data will not affect the provision of any services to which you subscribe. Your approval or denial of approval for the use of CPNI outside of the service to which you already subscribe will remain valid until you revoke or limit the approval or denial.
