polar

Residential Phone Services

Say hello to reliable home phone service.

Talk a little or alot. It's your call!

Save Your Home Phone Number – It's An Easy Call
Don't give up your home phone number. Your number works on any device you own. Your home phone, your cell phone, tablet or computer. Make and receive phones calls no matter where you are.

Missed a call? Voicemail can be sent to your email and even transcribed to text.

Texting? Send and receive texts from any device.

Keep data usage down. You only use cellular data when you're outside your home network or WiFi connections.

HD clarity. Enjoy the latest HD voice technology with less background noise and clearer sound.
